Kaplan 316

REMARKS

The drawing was objected to because reference 202 that is found on page 9 line 4 is not found in the drawing. The specification is amended to correct a typographical error, and as corrected, the reference to a bus 202 is removed, thereby overcoming the objection.

The rejected claims are deleted here, and the objected claims are amended to make them independent, thereby overcoming the objection.

In light of the above amendments and remarks, applicant respectfully submits that all of the Examiner's objections and rejections have been overcome. Reconsideration and allowance are respectfully solicited.

Respectfully,
Alan E Kaplan
